

HEALTHCARE CENTER

Western Reserve Masonic Community's brand new state-of-the-art healthcare center is open! Every aspect of the facility has been designed with our residents and the needs of the community in mind. With short-term rehab and long-term skilled nursing offering a combined total of 32 suites, with an additional 18 suites opening in September 2023, and a state-of-the-art physical therapy space, you can still expect the personal, top-quality care the community has come to know and depend on.

SHORT-TERM REHAB

- 14 private suites
- Industry leading staffing ratios
- The Sprig bistro offers private dining and room service
- Fully furnished suites including Med Mizer beds that rotate and bend, making it easier for residents to transition between laying, sitting, and standing
- Ceiling lift system making transfers safe and easy for staff and residents
- Centrally located nurses stations making staff more accessible to residents and their families
- Portable point of care system so staff is always aware of resident needs and can be more responsive in providing care
- Medications stored in each room so staff can spend more time interacting with residents during each shift

Daily Fee: \$450/day
(also Medicare and Medicaid certified)

Prices effective January 1, 2023. All rates are subject to change.
