OFFERS, FEATURES, AND AMENITIES

Independent living at Western Reserve Masonic Community is ideal for those who can still live on their own, but want to take advantage of a maintenance-free or worry-free lifestyle. This is especially true for our apartments, where residents have easy access to campus amenities. We offer a variety of unique floorplans, ranging from one bedroom to three bedrooms, so you can choose the one that works best for you. In fact, some of our newest apartments are even larger than our villas so you don't have to sacrifice space when you choose an apartment.

Amenities

Our residents enjoy not worrying about mowing the lawn, shoveling snow, or the problems that sometimes come with owning a home like plumbing issues. We even offer housekeeping every other week for no additional fee!

If you want to do your own thing, get advice from a certified trainer, or join a group class, our fitness center has everything you need.

Have all your beauty needs taken care of without ever leaving campus in our full service salon.

Change things up and enjoy a meal and a beverage in our dining room. You can even invite friends and family to join you! Plus, our apartment residents receive monthly meal credits so you can enjoy chef-prepared meals for free.
